Rock County Ag Ambassador

Katie Purkapile visits dozens of classrooms every year and immerse more than 1,000 local youth with hands-on agriculture education.

Fair Promotions Tent

During the Rock County 4-H Fair, our booth across from the beef barn is stocked with agriculture education experiences and activities to engage consumers and youth alike.

Scholarships

Rock County high school and college students are awarded with scholarship funds to further their education, thanks to generous donations and year-round fundraising efforts.

Ag Matters Radio Show

The weekly radio program highlights unique local agriculture operations, Rock County events, agriculture trends and more.

Industry Tours

Everyone is invited to our annual industry tour, organized to highlight a unique company or agriculture industry within Rock County. More details to come for 2023's tour.
